"I just wanted to share how TRVFA and Phoenix East Rotary Club has helped change my life and that of my dear boy Kamryn's. After 20 plus years of marriage, my now ex-husband abandoned the family in the middle of the night. We were devastated. I started school at East Valley Institute of Technology on Sept. 6, 2016 and am happy to say I graduated Sept. 6, 2017. I will forever be so thankful for the help to achieve my goals and provide a better life for my family."

**Help Students**

I would like to thank TRVFA and Phoenix Arcadia Rotary Club for giving me the opportunity to change my life. I joined East Valley Medical College and I feel so lucky to have been a student during this time last year and receive the chance to apply for this scholarship. I am so happy and proud of myself now and am definitely wanting to continue education and hopefully become a nurse soon."

"TRVFA is not only a giving organization but a stepping stone to meeting some of the world's leaders in their fields. They helped me to realize my dream of becoming a professional nurse and I am so grateful to have been selected. These are people who are looking to make leaders of our future graduates. I am so glad to have been blessed by such kindness and will be joining them in promoting Rotary International."
